Summer 2011

## Never a Dull Moment!!

There is always a buzz of activity in our school but this term has been particularly busy. Not least because it has been unusually short yet we have still packed in the usual number and variety of activities. The infants' Fathers' day assembly was super and this event has now been added to our regular calendar. The children did an excellent job of showing how much they appreciate their Dads.

The music concert and the dance concert were both delightful and demonstrated a multitude of talents across the age ranges. Similarly the swimming gala and athletics tournament were enjoyed by many and showcased some excellent talent.

Years five and six took part in an animal themed activity day earlier this term with a fabulously entertaining talk from author John Townsend. The day also gave us birds of prey both in the sports hall and outside and terrapins in the maths room, not to mention making paper animals, wooden birds and designing animal t-shirts.

In the seniors for the first time we have students completing their Gold Duke of Edinburgh's Award and we wish them well in the final stages of this challenge. The Bronze expeditions proceeded without hitch and once again we were impressed by the attitude and commitment of the students.

Of course at this time of the year our main focus is on examinations. Our students have worked hard and this is the time for them to show what they have learnt. We wish those who have taken public examinations, the success that they deserve.

We wish you a happy and relaxing summer holiday.

## SPORTS ROUND-UP

This term has seen the very successful Prep School Swimming Gala where every pupil took part making every race exciting and well fought. Lower down the school there was an afternoon of fun events at the Infant and Reception Gala and again all the pupils performed extremely well.

We had a very good day at the ISA Midlands Senior Athletics in Leamington Spa with performances to note from: **Connor Bowdler** 2nd Year 8/9 Shot Putt and Javelin, **Antonio Garcia** 3rd Year 8/9 200m and **Ben Hampton** 3rd Year 7 Shot Putt. Chase Academy finished in very respectable positions throughout the boys and girls competitions.

The ISA Midlands Junior Athletics at Alexander Stadium produced some excellent results with 4 Pupils going on to represent the Midlands team at the ISA Nationals. **Nikoli Walker** 1st Year 6 Boys High Jump, **Grace Nellist** 1st Year 6 Girls Shot Putt, **Hannah Hampton** 1st Year 5 Girls Rounders ball throw and **Laura D'Aguiar** Year 5 1st Year 5 Girls Long Jump.

In addition there have been fixtures for the U13 Boys Cricket team, the U11, 13 and 15 Rounders teams with the U11's and 13's Rounders teams representing the school at the ISA Competition. There has also been a friendly fixture for the U17 Basketball Team against Twycross.

The Prep School Sports Day and Infant Rounders was a super afternoon of games where Scafell came out overall winners after a close competition. Thank you to all parents who shared in with the fun.
