

CHASE ACADEMY

Please complete and return to school if you require school transport.

Name	
Address	
Telephone Number	
Transport starting date	
Requested pick-up point	
Requested drop-off point	

Our bus routes generally follow the main routes and are planned to give a combination of the best pick-up points and the shortest journey time.

We will do our best to accommodate individual requests, but we usually ask parents to bring students to the bus route in order to avoid making a number of deviations, as this would inevitably make the journey too long.

We provide subsidised bus routes that cover the area shown.
